30 **Ethics Statement**

31 Provide the approval of use of human or animal subjects in this study. Refer  
32 to [Guidelines for Authors](#) for more details of Research Ethics.

33 If no human or animal subjects were used in this study, please state “Not  
34 applicable” in this section.

35 **Consent for Publication**

36 State that the informed consent for the publication of this study from the  
37 concerned individual has been obtained.

38 If the manuscript does not contain data (details, images, or videos) from any  
39 individual person, please state “Not applicable” in this section.

## 40 **Availability of Data and Material**

41 State the source where the data supporting the findings are available. Au-  
42 thors who are unable to share their data must state that the data will not be  
43 shared, and specify the reason accordingly.

44 If no data is contained in the manuscript, please just state 'Not applicable'.

## 45 **Funding**

46 State the organization(s) or foundation(s) that funded this research.

## 47 **Competing Interests**

48 Declare competing interests here if any, or state "The authors have declared  
49 that no competing interests exist."

## 50 **Author Contributions**

51 Specify each author's contribution to this work respectively.

## 52 **Acknowledgments**

53 Acknowledge the people or organization(s) that have technically supported  
54 this work, excluding fund provider.

58	PAH	Pulmonary arterial hypertension
	mTOR	Mechanistic target of rapamycin

## 59 **Supplementary Materials**

60 The following supplementary materials are available on the website of this  
61 paper:

- 62 1. Non-Sentence Title of material 1. (e.g., Figure S1: Title).
- 63 2. Non-Sentence Title of material 2. (e.g., Table S1: Title).
- 64 3. Non-Sentence Title of material 3. (e.g., Video S1: Title).

## 65 **ORCID**

66 Please provide validated ORCID iDs of authors if any. All authors are encour-  
67 aged to register for an ORCID iD, which will be displayed in the published  
68 article. Learn more at <http://www.orcid.org>.

## 69 **Graphic Abstract**

70 Provide a graphic as the Graphic Abstract here no later than resubmitting  
71 your revised manuscript.

72 Description in words of the graphic is not necessary. The graphic itself should  
73 reflect or highlight the essence of this study in an informative and attractive  
74 way.

75 This graphic must be entirely original created by the authors. Recommended  
76 in 8 cm X 8 cm, 300 dpi X 300 dpi.
